Scholarships

The scholarships shown in boxes are only for new international students who are applying for admission on or after the second semester of the fall. Applicants are advised to contact their local universities for additional information.

Why Tainan?

Our campuses are located in Tainan City, the oldest city which reigns the title of Industrial Capital in capital cities for more than 20 years. Therefore, the city has remained lower in the "Central City" index. There are abundant with preserved ancient monuments, natural parks and affordable delicious local cuisines all around the city center.
